#### THE GIANT'S CAUSEWAY.

Formation and Appearance of This Odd Freak of Nature.

The Giant's causeway is situated at the only man in that state to volunteer the northern extremity of County Anbefore Mr. Chency, who emisted for three trim, a short distance from Port Rush, months in April, 1861. After the ex-Ireland. It consists of countless hosts of immattic pillars, varying in shape St., off Beckley. from a pentagon to an octagon, the average length of each column or pillar being about eighty feet, the whole with considerable vigor. He has been stacked so closely together that a knife blade could hardly be luserted between them. But the formation of these pillings is not the least wonderful part shout them, for, although they may be counted by thousands and tens of thousands, each column is fushioned with a symmetry that suggests a ma-M. E. Merrill, an attache of the gov- lars is not the least wonderful part with a symmetry that suggests a mason's handiwork. Their composition is a perfect fusion of one-built minty Houses and Farms for Sala earth, one-quarter lime and clay, onequarter almost pure iron, each pillar In The F. B. Cate Real Estate Agency being divided into regular lengths or joints which come together as a perfect natural ball and socket union.

Although to be found in small detachments (imbedded in the cliffs, sands, etc.) for some distance along A public hearing on this application will be given by the city council at a meeting thereof to be held in the city council chamber in the city half on Wednesday evening, April 27, 1910, at Wednesday evening, April 27, 1910, at These stepriles columns are of differ.

These stepriles columns are of differ. These singular columns are of different lengths and present an astonishing appearance as they stand, an army of at lengt 40,000 strong marshaled.

Cottage bouse, six rooms, barn and ben consequence, six rooms, barn and ben consequence, and the state agency, specially and the state agency. at least 40.000 strong marshaled on LIQUOR LICENSE. do battle with the rising tide.

the shores of Erin as if ever ready to do battle with the rising tide.

Frank Stockton and Poetry.

Frank Stockton never could write a successful poem. In this connection the novellst frequently told a good story on himself. In his youth in conjunction with his brother John he junction with his brother John he wrote many poems, with which he af-flicted the editors of various Canadian periodicals. The effusions always ply room 7 Cur. ier building. came back. The editor of one maga-zine was an especial target of the Stocktons, but as none of their poems was ever accepted the brothers came to the conclusion that the editor had to the conclusion that the editor had no conception of good poetry. To prove their belief they bunted up and dispatched to him an ode, little known, by Milton. Within two days they reto the conclusion that the editor had ceived a check and a letter of thanks.

"I came to the conclusion that that editor knew poetry when he saw it after all," Mr. Stockton used to say, "and gave up trying to write it."
